**Sacramento-San Joaquin Delta Conservancy
Executive Officer's Report
June 27, 2012**

Conservancy Staff Update

- **Assistant Executive Officer**

- **Elisa Sabatini – Farewell**

- **Albert Wu**

Albert, a native of Stockton, CA, participated in the Stockton Rowing Club on the Delta. He attended UC Berkeley where he received degrees in Business and History, and wrote his history thesis on government use of agricultural imagery during the 1930s and 40s. After graduating from UC Berkeley, Albert attended Harvard Law School where he focused on constitutional and human rights law and, during law school, traveled to South Africa to write a case study on constitutional right to water and community mobilization on behalf of the United Nations. Albert is currently a fellow at the Delta Conservancy through the Capital Fellows Program at Sacramento State University.

- **Devon Coyl**

Devon is a senior at California Maritime Academy (CMA) majoring in Global Studies and Maritime Affairs with a minor in Law. He enjoys photography, travelling, snowboard, surfing, and volunteering with in his local community. This summer he and sixteen other students spent three weeks traveling through South Korea and Japan studying business and culture. He is a coxswain for the CMA varsity crew team, Squad Leader with in the core of cadets, and External Affairs Officer for the associated student body for CMA.

- **Andy McGuirk**

Andy, a Bay Area native, is a student at Sacramento State majoring in Environmental Science with a minor in Geology. He has been passionate about the environment since he was very young and is an avid outdoorsman. Along with his internship with the Delta Conservancy, he is also actively involved in the Environmental Students Organization at Sac State, the California Aquaculture Association, and is a Sacramento River Clean-Up Volunteer. Andy worked as a manager and fish monger (butcher) for San Francisco Fish Company where they exercise the importance of sustainability and the life in our oceans. He also worked as a foreman for Everest Waterproofing and Restoration Inc. in San Francisco. Everest Waterproofing and Restoration is a member of the U.S. Green Council and focuses on maintaining the natural environment and using environmentally safe products.
